

K-LOVE is vital to my community. It helps all those seeking information about the lord to hear it. Without KLOVE's influence communitys wouldn't be able to reach those individuals that are afraid, intimidated, or afraid to talk to someone face to face. K-LOVE reaches those that need it most, and helps those that need a little extra comfort, or just a word of prayer to know someone else is feeling their pain, joy, sorrow. Please continue K-LOVE in my community.

Sincerely,  
Marty Buss
